VFW Memorial Squad at the National Cemetery Needs Help

We are looking for male and female members to pay final honors to our fallen comrades. Our comrades have earned and deserve to have Honors preformed. This is truly a labor of love for our fellow Veterans.

The Squad operates Monday through Friday between the hours of 0800 to 1400 during the months of February, May, August and November.

The Squad provides the same Military Honors as preformed at Arlington National Cemetery.

Each member wears a VFW provided uniform with military pride. Volunteers are provided lunch at a local café as well as a stipend to assist with travel expenses.

- a. Must be able to serve an eight (8) hour day.
- b. Must have no major health issues
- c. Military Bearing Required
- d. Commitment Required

If you would like to volunteer to serve our comrades, contact Squad Captain, Pete Rosales for an interview appointment **623-247-3352** or Department Headquarters at **480-941-5258**.

Because of the Gem Show in Tucson room ratesare very high this time of year as we know from past experience with the Grand Hospital Visit every year. I have contacted the hotels in the area and the rates are as follows. Super 8 is the cheapest at one bed \$125.99per night and 2 bed at \$137.45 per night (tax included) 8351 N Cracker Barrel Rd. 85743 Phn. Jennifer at (520)572-0300. The next cheapest is Days Inn at \$215.47 (tax included) 8370 N Cracker Barrel Rd. 85743 Phn. (520)744-6677The other hotel/motels are\$260.00+tax And up. The aforementioned hotels are 17.5 miles from the VFW Post 5990. There is one other choice - Newly Renovated Motel 6 (MY CHOICE) price is two people at \$88.65per night & one person at \$82.46 per night. 4630 W Ina Rd. 85741 Phn. Marilee at (520) 744-9300. Motel 6 is three (3) miles farther and there is going to be construction at the intersection of I-10 & Ina Rd, so depending on the detour it will be farther (The detour is a only couple miles more). This is our best choice. Please remember it is very important that you make your reservations as soon as possible (within the next month would be advisable - the same for RV sites) they will sell out very quickbecause of the Gem Show. A new genetic test is now available to veterans through the VA Health System to help eliminate medication errors and side effects. The test is called the YouScriptPGx test. The test is available at no out-of-pocket cost to the patient through the VA System. The test helps doctors select the best medications for the patient using the person's unique genetic information.

No two people process all medications the same. Some people process some medications at a normal rate, while others may process the same medication much faster or much slower than normal. Some might not be able to metabolize the medication at all. A person may be at risk for more side effects with some medications depending on if they don't process it normally. These side effects can mean visits to emergency rooms and hospitalizations if severe enough.

The YouScript test is performed in the VA clinic with a physician. It is a simple test that collects genetic tissue using a swab inside the patient's mouth. The doctor is sent a report listing if the medications prescribed are the right medications for the patient based on their unique genetics. If not, other more appropriate medications are recommended to the doctor. This information can help doctors select the right drug at the right dose for a given patient.

Some of the key benefits of having a YouScript PGx test performed are:

- -Reduced risk of side effects from medications
- -Reduced switching of medications causing adverse events
- -Avoid using drugs that don't work for you

The YouScript PGx test is now available to veterans in Arizona at several VA clinics statewide. If you are on multiple medications and have had side effects in the past, or are being placed on new medications by your doctor, ask your VA physician if a YouScript PGx test is right for you. Testing kits are available (listed under the FSS Contract # V797D-50565, Item # DRT-634, DRT-631 and DRT-630). If your physician has questions about this genetic testing, feel free to contact Raquel Beer at 480-688-2759 or at raquel@ags-health.com for local testing support and education. Or call Advanced Genomic Solutions at 480-779-6188 for more information on the testing today.
